Subject: HELP THE CHILDREN IN HAITI ... DONATE TODAY

Hello,
??

?My name is [REDACTED] the chief coordinator of Yele Haiti a voluntary organisation i did set up to help the children faced with the disasterous earthquake in my Country. I do hereby solicit for donations from well meaning Individuals all around the world to help this children and families. This action is in partnership with UNICEF , RED CROSS , DOCTORS WITHOUT BORDERS.

Haiti today faced a natural disaster of unprecedented proportion, an earthquake unlike anything the country has ever experienced. The magnitude 7.0 earthquake ? and several very strong aftershocks ? struck only 10 miles from Port-au-Prince.

I cannot stress enough what a human disaster this is, and idle hands will only make this tragedy worse. The over 2 million people in Port-au-Prince tonight face catastrophe alone. We must act now.

President Obama has already said that the U.S. stands ?ready to assist? the Haitian people. The U.S. Military is the only group trained and prepared to offer that assistance immediately. They must do so as soon as possible and are doing it as i speak.

The international community must also rise to the occasion and help the Haitian people in every way possible. ?

Many people have already reached out to see what they can do right now. We are asking those interested to " HEALING THE WORLD " have any amount they have in their capacity sent to our regional coordinator accounting officers in the Philippines using western union.

We have a base with the Red Cross and Unicef in the Philippines from this base we cargo all this material by Air Freight to Haiti. The Fund been solicited for is for the procurement of First aid materials and relief materials, Food , Medicine and Vaccines, Medical Bills as hundreds of thousands of people are affected and the list of the urgent need for fund is endless. This is a voluntary assignment and not forced on you but if you have a kid at home or ever witnessed a disaster you will rise up now and help and may God bless you as you stretch forth a helping hand to the needy
