Is this seriously how things are going to end? Wow. If that's how you want it to be I will respect that. I will no longer contact you in any way. If you'd like to contact me that is fine. I'm hurt. Very hurt but lately that seems to be my life. I don't need you to pray for me. Doesn't seem like god hears much of anything these days. Good luck in all you do. Take care if your beautiful family.
