my desk
has teh left side against teh wall
1:48 PM me: yeah, I've noticed that about colleges...
it always feels like everyone can see what's going on
so that's convenient
Tyler: and teh computer screen facing towards teh back wall...right in fron of my dresser...so he
really can't see it if I just tilt my laptop a lil bit to teh left
me: hmm
now for me...
I'd just be on teh bed
Tyler: lol
me: so no issues :)
1:49 PM Tyler: maybe once he gets the wireless working hehe

3:05 PM me: you should get the rearview mirrors for lappy...
Tyler: huh?
linky?
me: working on it
Tyler: i saw this one privacy thing
me: didn't have a thinkgeek tab open so....
Tyler: it used the webcam on ur lappy
me: <http://www.thinkgeek.com/computing/accessories/2940/>
that way, you don't have to turn around...
Tyler: and monitored whether or not there was another face in the picture
and when there was
3:06 PM it would blur the whole screen
me: oh hehehe
Tyler: it was like \$400
:(
me: oh wow...
this one is B...
Tyler: hehe
but this one was super high tech
and like
when someone walked up behind u
it would open a lil box
to show u what the camera saw
as it blurred the screen
3:07 PM me: yeah, super techy....but also kinda obvi that you're hiding something...
Tyler: hmmm
i guess...
me: plus, then you can't say you have chimp mirrors!
Tyler: hehe yeah

for quick escape
Tyler: lol

3:09 PM lmao
me: hehe
how's the room looking right now?
Tyler: I like my sid
e
I really like how my desk doesn't look out into the wall
but instead I can see accross my bed through the window
me: yup
but his side?
3:10 PM Tyler: hmm
not too diff
the one thing I dislike
he has his armoir turned towards his closet
like...
the drawers of teh chest open into the closet
so its kinda a weird spot
hmm
idk
I'll have to take pics one day when he's in class for u lol
3:11 PM me: hehe
why not take it now?
hehe
jk, obvi :)
Tyler: I think he's changing...but actually I'm not sure
hehe
me: oh hah
even better
Tyler: he went into the cubby sort of inside the closet
sooo...i really have no clue what's goin on in there
me: that's not going to work....
you're really going to have to get comfortable with each other...
3:12 PM Tyler: yeah
he changed his pants
lolz
me: not toooooo comfy tyler...
Tyler: lol
new
but I don't care
hmm
hope he can b comfortable
me: yeah
idk
just imagine..
changing in the closet every morning and night?
Tyler: I kno!
3:13 PM but the funny thing is...idk...I have such a hard time to see it from his perspective
me: oh hehe
most guys are pretty whatever about changing around each other....I thought...
Tyler: yeah
I kno...
but idk...
me: esp if it's just pants...
Tyler: throw in a gay guy and...
3:14 PM

i guess could get uncomfortable

me: true

but, remember, he doesn't think it's you anymore..

Tyler: but in my eyes....i don't care who's watching hehe

hmm

i'm not so sure

me: but i guess meeting you might've changed your prospective
and lol..

3:15 PM

Tyler: hehehe

me: oops

typo

meeting you might've changed HIS prospective :)

Tyler: hehe thought u meant that

Tyler: ok...and what's the point of having a wireless mouse/keyboard if you put the receiver 2 inches away from teh keyboard/mouse???

3:24 PM me: no wires :)
Tyler: lolz
me: ohhh
Tyler: yeah right
me: but yeah
that's stupid...
Tyler: yubyyup
and also...

3:25 PM his whole desk is filled up w/comp stuff....
how teh hell is he gonna do anything?
lolz
except comp stuff....
me: why
comp stuff is all he needs :)
Tyler: naw
not true

3:26 PM he's taking calc 1 stat i and physics
i'd think there'd b a fair amount of non comp stuff in those classes no?
me: yeah
def
Tyler: haha
I win
I was right

3:27 PM :P
me: heheh
yay!!
