

As much as you may think I  
don't love you I do... Not just  
because I'm your daughter but  
because you are my best friend.  
Nothing I've ever said to you in  
anger was ever true... I would  
never hurt you or hate you... But  
I can't bare to see you so un-  
happy... but I'm growing up and  
seeing as you don't love me...  
the person I've become, I see  
it only fit I do one last thing  
to make you happy...

you want me gone?

I'm gone
