

Dom, tell your stupid father to back away from the travel team and East Meadow Baseball or he will be sorry. There are other things in life besides baseball and if he wants to enjoy them, he will get out of East Meadow Baseball for good.

Accidents happen Dom and I would hate to see something happen to your mom or dad or sister because of your dad's stupidity. If you want to continue to have a nice family life and not be looking over your shoulder all the time, your's and your dad's involvement in East Meadow Baseball has to come to an end. I will not stop until this is accomplished. Accidents do happen and I'm sure you don't want to see your family get hurt in any way. Wouldn't that be a shame? What would you do Dom if something awful happened to your dad, or mom or Natalie? It would be very sad, but I wouldn't shed a tear, but you would.

Think about it Dom. If something terrible happens to your dad, or mom or your sister, you can blame your dad for not taking my threats seriously. He will meet harm and the outcome will not be good for you. You might never see your dad again. You all better watch your [REDACTED] backs. This is no joke. This is as real as it gets.

YOU AND YOUR DAD GET THE HELL OUT OF EAST MEADOW BASEBALL
