

Hello,

I am [REDACTED] I am currently serving in [REDACTED] I received your POC from [REDACTED] and have also receive supplies from this organization during the units last deployment [REDACTED] The Company is currently gearing up to [REDACTED] and [REDACTED] We are short on items that would greatly affect our abilities to fight a full spectrum war and be successful. I spoke with Aaron and said I would send a list of items we needed. My unit will also be in the available pool for the global reaction force [REDACTED] Below is a list of items we need to be successful. Any help will be greatly appreciated! Please feel free to contact me anytime.
